Review data and determine response.

**Attach data summary (e.g., chart, graph, or other visual representation)**

Targeted decrease in problem behavior \_\_\_\_\_

Measured change in problem behavior \_\_\_\_\_

Targeted increase in appropriate behavior \_\_\_\_\_

Measured change in appropriate behavior \_\_\_\_\_

**Student Response to BIP, choose one.**

Positive progress (adequate rate of progress with gap closing). Choose next step(s):

- Continue intervention. Explain:

- Fade intervention. Explain:

- Discontinue intervention. Explain:

## Behavior Intervention Plan Behavior Intervention Plan Review

Student Name \_\_\_\_\_ Student ID Number \_\_\_\_\_ School \_\_\_\_\_ Date \_\_\_\_\_

Inconsistent progress (fluctuation of data points toward goal line). Choose next step(s):

- Consider whether intervention targets correct behavior and/or skill. Explain:

- Continue with the intervention. Explain:

- Modify intervention. Explain:

Inadequate progress (majority of data points are below the goal line). Choose next step(s):

- Consider whether intervention targets correct behavior and/or skill. Explain:

- Consider modifying the intervention. Explain:

- Consider intensifying the intervention. Explain:

- Continue with intervention. Explain:

When will the team meet to review progress? Specify Date \_\_\_\_\_
