

School Year 2024-2025 Dual Language Immersion (DLI) Program Information

All rising kindergarten and first grade students who live in Fairfax County may enter a lottery to participate in Dual Language Immersion (DLI) programs. In DLI programs, students are learning elementary content in two languages with students spending half of the day learning in either language. English Language Arts and Social Studies are taught in English. Math, Science, Health, and Target Language Arts are taught in another language.

FCPS offers DLI programs in French, German, Japanese, Korean, and Spanish. **Online lottery application begins on January 22nd (9 a.m.)**. A **SIS account** is required to complete the application. If a student is not currently enrolled in FCPS, registration at the base school is required. FCPS does not provide transportation for students who live outside the attendance area of the DLI school. A **one-time** fee of \$100 must be paid upon acceptance of an out-of-boundary placement (see Notice 5922).
