

Dear Parents/Caregivers,

FCPS' [Strategic Plan](#) serves as a roadmap to guide our school division toward improvements that best support our students. One critical piece of that plan is to make sure we hear directly from our students about their classroom and school experiences. To understand more about students' experiences in FCPS schools, the school division developed a Student Experience Survey.

From February 24 to March 7, we will invite students in grades 3 through 12 to take FCPS' Student Experience Survey. The Student Experience Survey is confidential and designed to protect your child's privacy. Only FCPS' research staff will have access to responses in their secure survey platform. Survey responses will play a major part in helping FCPS make improvements.

The Student Experience Survey will take about 30-45 minutes to complete and will be completed during the school day.

If you would like additional information or would like to view the survey, please visit the Student Experience Survey webpage: <https://www.fcps.edu/student-experience-survey>. If you wish, you may opt your child out of participating in the survey by completing the electronic Opt-Out Form at [https://fcpsk12va.qualtrics.com/jfe/form/SV\\_20IF9XZwm0rZcNw](https://fcpsk12va.qualtrics.com/jfe/form/SV_20IF9XZwm0rZcNw). If you are not able to complete the form electronically, you may complete the form on the back of this page and return it to the school office. We encourage families to speak with their child about the survey, especially if you choose to opt them out of participation. **The deadline to submit an opt-out form is Friday, February 14.**

If you have questions about the Student Experience Survey, please contact [research@fcps.edu](mailto:research@fcps.edu). Thank you for considering this opportunity for your child to share their experiences through FCPS' Student Experience Survey.

Sincerely,  
Dr. Michelle C. Reid  
Superintendent
