

Flavors of Google (in Schoology) Comparisons

Google Drive

Considerations	Google Resource App Flavor 1	Google Drive Assignment App Flavor 2	Google Assignments LTI Flavor 3
Students can select and attach a file from their My Drive to submit an assignment.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Creates a storage folder in students' My Drive when assignment is created and opened.	X	X	<input checked="" type="checkbox"/>
Creates a storage folder in teachers' My Drive when assignment is created.	X	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Teachers can access and assign documents from a Google Shared Drive .	X	X	<input checked="" type="checkbox"/>
Files can be assigned as a link from the teacher's My Drive for student collaboration. <i>Document sharing permission must be set to "Anyone in this group with this link can edit"</i>	<input checked="" type="checkbox"/>	X	X
Files can be assigned as a view-only link from the teacher's My Drive . <i>Document sharing permission must be set to "Anyone in this group with this link can view"</i>	<input checked="" type="checkbox"/>	X	X

Assignment Workflow

Considerations	Google Resource App Flavor 1	Google Drive Assignment App Flavor 2	Google Assignments LTI Flavor 3
Teachers can see student progress when working on Google documents inside of Schoology without having to open the student document in another tab. <i>*Flavor 1 assignments share settings must be set to Anyone in this group can edit on the original document and set to display in Schoology.</i>	<input checked="" type="checkbox"/> *	<input checked="" type="checkbox"/>	X
Assignment can be copied from course to course without having to reattach the Google document.	<input checked="" type="checkbox"/>	X	<input checked="" type="checkbox"/>
Makes a copy of the Google assignment for each student that is editable when assigned and opened by the student.	X	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
When working on the assignment, the student document can be viewed and worked on inside the Schoology platform. (Does not need to be opened in a new tab.)	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	X
Teacher retains ownership of the Google file. The file is housed in the teacher's My Drive and under students' " Shared with me " section in their drive.	X	<input checked="" type="checkbox"/>	X
Student is the initial owner of the Google document and retains ownership once the assignment is returned to the student. <i>This is important for future sharing needs for portfolios, etc.</i>	X	X	<input checked="" type="checkbox"/>
Interface looks similar to Google Classroom	X	X	<input checked="" type="checkbox"/>

Calendar / Grading / Feedback

<p style="text-align: center;">Considerations</p>	<p style="text-align: center;"><u>Google Resource App</u> Flavor 1</p>	<p style="text-align: center;"><u>Google Drive Assignment App</u> Flavor 2</p>	<p style="text-align: center;"><u>Google Assignments LTI</u> Flavor 3</p>
<p>Teachers are notified in Schoology that the assignment has been submitted and it appears under the reminders section once submitted.</p>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	X
<p>If the student does not submit by the due date, the unsubmitted assignment will show up in the student's overdue section in Schoology.</p>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	X
<p>Assignments will display on the students' Schoology calendar and will have a due date and grading category without additional teacher action. <i>*Flavor 3 - teacher must edit assignment after initial setup</i></p>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/> *
<p>Teachers can use rubrics that were created using Schoology. Students can view the feedback from rubrics in the Schoology Gradebook.</p>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	X
<p>Teachers can use rubrics created through Google. Only the score from the rubric passes back to the Schoology gradebook. Feedback from the rubric must be viewed by the student through clicking on the complete assignment.</p>	X	X	<input checked="" type="checkbox"/>
