The functions of the local advisory committee shall be as follows (8VAC20-81-230(D)):

- **Advise** the local school division of needs in the education of children with disabilities;
- **Participate** in the development of priorities and strategies for meeting the identified needs of children with disabilities;
- **Submit** periodic reports and recommendations regarding the education of children with disabilities to the division superintendent for transmission to the local school board;
- **Assist** the local school division in interpreting plans to the community for meeting the special needs of children with disabilities for educational services;
- **Review** the policies and procedures for the provision of special education and related services prior to submission to the local school board; and
- **Participate** in the review of the local school division's annual plan, as outlined in subdivision B 2 of this section.

2023-24 Committee Charge from the School Board

Examine current FCPS practices regarding the:

- Identification and referral of students who may require related services in the areas of speech-language, occupational therapy, physical therapy, and/or counseling.
- Determination and provision of services to students who are identified as requiring these related services.
- Determination and provision of devices and services to students in the area of assistive technology.
- Review evidenced-based and research-based practices regarding the provision of speech- language, occupational therapy, physical therapy, counseling, and assistive technology services for students with disabilities.
- Based on a review of evidenced-based and research-based practices, make recommendations designed to improve FCPS practices related to the availability and provision of speech-language, occupational therapy, physical therapy, counseling, and/or assistive technology services to students with disabilities across the continuum of preschool through graduation.

Next ACSD Meeting is April 17, 2024
