

DEFERRAL NOTIFICATION
ABILITY TEST

Dear Parents and Guardians:

In an effort to obtain additional information about your child, Fairfax County Public Schools (FCPS) typically administers ability tests to all first and second graders. The school has determined that it would be best to defer this test for your child at this time.

To be considered for Advanced Academic Program (AAP) services in Virginia, only one nationally normed ability test is needed. Your child will have an alternative opportunity to take an ability test at a later time. Therefore, the decision to defer ability testing this school year will not limit any academic opportunities that are available to your child.

If you have questions about this decision, please contact the Advanced Academics Resource Teacher (AART), _____, or School Test Coordinator, _____, at your child's school.
