The functions of the local advisory committee shall be as follows (8VAC20-81-230(D)):

- **Advise** the local school division of needs in the education of children with disabilities;
- **Participate** in the development of priorities and strategies for meeting the identified needs of children with disabilities;
- **Submit** periodic reports and recommendations regarding the education of children with disabilities to the division superintendent for transmission to the local school board;
- **Assist** the local school division in interpreting plans to the community for meeting the special needs of children with disabilities for educational services;
- **Review** the policies and procedures for the provision of special education and related services prior to submission to the local school board; and
- **Participate** in the review of the local school division's annual plan, as outlined in subdivision B 2 of this section.

2024-25 Annual Charge from the School Board

The ACSD will study and make recommendations for increasing disability-affirming practices in school communities and encouraging a strengths-based approach to educating students with disabilities and learning differences.

Anyone needing accommodations for a disability to attend or participate in this FCPS activity should call (703) 204-3941, TTY (703) 204-3956. Calls should be made seven days prior to the activity so that appropriate arrangement can be made. Meetings are cancelled if school or evening activities are cancelled due to weather.
