Fairfax City Public Schools

Budget at a Glance

- Since 1962, the City of Fairfax School Board has contracted with Fairfax County Public Schools (FCPS) for the delivery of educational services. The City School Board owns and is responsible for its school buildings. Students in city schools have access to the same programs as are provided in all Fairfax County Public Schools.
- The City of Fairfax School Division is comprised of four buildings housing some 4,550 students in grades K-12. About 2,750 of these students are residents of the City of Fairfax, with the remainder residing in Fairfax County.

City of Fairfax Schools include:

- Daniels Run and Providence Elementary Focus Schools for Mathematics, Science and Communications Technology

Daniels Run and Providence Elementary Schools are recently renovated and provide a state of the art instructional environment. These schools are among the first to offer foreign language instruction using the Foreign Language Elementary School (FLES) model. Each school has a capacity of about 800 students.

- Lanier Middle School

Lanier Middle School, often recognized for the rigor of its academic program, completed an extensive renovation in the spring of 2008. The newly renovated school provides a technology rich learning environment, as well as superior facilities for instruction in physical education and the arts. The capacity of Lanier is 1100 students.

- Fairfax High School

Fairfax High School, newly renovated and rededicated in the fall of 2007, is an academic and arts showcase. Offering students a challenging academic program, including a full range of AP courses, as well as the specialized programs of the Fairfax Academy for Communication Arts, graduates are fully prepared for their futures; approximately 90 percent continue their educations in post secondary institutions. The capacity of Fairfax High School is 2200 students.

Montgomery County Public Schools

- For FY 2009, 80.0 percent of the \$2.07 billion Operating Budget is for direct instructional costs. School support services received 14.7 percent, and system wide administrative support is 2.6 percent. The remaining 2.7 percent is for enterprise fund activities, including food services.
- MCPS received an operating budget increase of \$81.7 million, or 4.1 percent in FY 2009. Compensation, including salaries and employee benefits, accounts for 89 percent of this total.
- During the past eight years, MCPS has added \$116.9 million in reform initiatives, the vast majority going directly to the classroom. The largest increase went to early childhood education (including full-day kindergarten in all elementary schools), class size reduction, staff development, and special education.
- In 2008, MCPS had a system wide average SAT score of 1616 with 74 percent of students taking the test.
- Six MCPS high schools ranked among the top 100 in the nation by *Newsweek* magazine in 2008 for providing a rigorous and challenging curriculum. All MCPS high schools are listed in the top 3 percent nationwide.
- More than 90 percent of kindergartners have met or exceeded reading targets in each of the past three years, essentially closing the achievement gap by race, ethnicity, and socioeconomic status at this grade level.
- Nearly 50 percent of Grade 5 students took advanced math in 2007-2008.

FY 2009 Expenditure Data Definitions

Operating Fund or Budgeted Current Expenditures

The data in this category includes all funds for day-to-day expenditures for operation of the school system such as regular and special education instruction; may include grants such as Head Start, NCLB, Impact Aid, Perkins, and grants associated with IDEA; transportation costs including costs for new and replacement buses; and building maintenance for educational programs. Budgeted current expenditures also include the employer's share of employee benefits whether paid by the school district, municipality, or the state. The expenditures are typically funded in the school operating fund.

Construction and Renovation

This category includes all expenditures (which are typically funded in a capital improvements fund or budget) for land, new construction, major renovations, and relocatable classrooms, whether funded by the school district, municipality, county, or state through bond sales or "pay-as-you-go" expenditures.

Debt Service

This category includes all payments for principal and interest on long-term debt whether paid by the school district, municipality, county, or state.

Food Service

This data includes all expenditures for the school food services program regardless of the funding source (federal, state, and local subsidies and food sales).

Other Governmental Funds

This category includes other Governmental Funds expenditures not included elsewhere, such as:

- Grants budgeted in a fund other than those listed previously.
- Adult education, defined as any remedial, enrichment, or makeup course or program offered outside of the regular school year.
- Summer school, defined as any remedial, enrichment, or makeup course or program offered outside of the regular school year.
- Other expenditures not defined elsewhere and defined within the chart.
